Welding & Fabrication Services

Division Brochure

Certified precision welding and structural metalwork for industrial, commercial and structural applications, backed by rigorous quality inspection.

What we offer

MIG, TIG & Stick Welding	Certified welders across all major arc welding processes.
Structural Steel Fabrication	Beams, columns, trusses and frames to engineering specs.
Pipeline Welding	Oil, gas and water systems including tie-ins and repairs.
Custom Metalwork	Platforms, handrails, stairs, tanks and specialised equipment.
On-Site Welding Services	Mobile teams for repairs and fabrication at your site.
NDT & Quality Inspection	Ultrasonic, magnetic particle and liquid penetrant testing.
